MEMBERSHIP APPRECIATION FLY-IN REPORT

November 15, 2008

Sixty-five Members and Guests attended our "Members Appreciation Fly-In". The weather was nice, with clear skies and sunshine all day. The high winds limited the flying activity, but several of us put our models in the air and dealt with the buffeting & scary landings – just to get an extra Door Prize Ticket! (notice the flag and windsock being held horizontal in the photo below). The catered lunch was served at around 11:30am and enjoyed by all. As promised, we had a fantastic array of Door Prizes (22 of them).

Notice the Flag and Windsock being blown HORIZONTAL!
